

SUMMER VOLLEYBALL MONDAY NIGHT SKILLS CLINICS

Clinics: These sessions will revolve around enhancing the fundamentals of volleyball skills up to and including strategy and anticipation. Whether you are just starting out or a very experienced player, coaches; June Burney, Chris Burney, Charlotte Smith, and Robert Jones will work with players to help them achieve their volleyball goals. Each night we will focus on a different skill set, tailored to the level of the players. Space will be limited to ensure that players are getting individual attention.
